Wanderlust

1. WANDERLUST

VERSE1

*Famine, Hunger, Cruelty, Obsession
Despair, Inhumanity, burn and bust
Poverty and plunder, pure insanity
Robbery and violence, Wanderlust*

BRIDGE

*I wish that I could take a trip
On a rocket to the stars
Maybe I'd find a better world
Than this one we call ours*

VERSE2

*Hostile rampage, Racial inequality
Brazen vengeance, Lost and crushed
Self-Idolatry, Child starvation
Profanity, Obscenity, Wanderlust*

BRIDGE2

*In my dreams I take the trip
On a rocket to the stars
Hoping to find a better world
Than this one we call ours*

CHORUS

*I found everything
That I've been longing for
A world as one
But my dream fades in a wisp of smoke
So my wanderlust goes on*

INSTRUMENTAL SOLO

VERSE3

*Flagrant arrogance, Vanity of Presidents,
Social distance, Dust to dust
Walls and barriers, Viral carriers
Isolation, Wanderlust*

BRIDGE2

*In my dreams I take the trip
On a rocket to the stars
And then I find a better world
Than this one we call ours*

CHORUS

*And when I returned
The years had passed me by
Our world was one
With selflessness and harmony
But hatred, there was none
For a solitary moment...
My wanderlust had gone*

2. MADE IN HOLLYWOOD

VERSE1

*A pretty girl with raven hair
And eyes of emerald green
Longs to be a dancer
Or on the silver screen
She'd be a star if she could
So she set out for Hollywood*

VERSE2

*Her premiere on Broadway
Leaves the people wanting more
The press says 'she's the one to watch'
And it opens up the door
To a starry neighbourhood
She makes her home in Hollywood*

CHORUS

*Her starlight shines across the Beverly Hills
Her fame is no roman holiday
My fair lady of style with an innocent smile
A queen of the golden age
In Hollywood she was made
Maid In Hollywood
Made In Hollywood*

VERSE3

*She took success in a little black dress
Her beauty was sublime
Now there's a star on the boulevard
To remind us of her time
She'd tell you if she could
That she was made in Hollywood*

VERSE4

*Working Hard as a movie star's
Not easy like it seems
Every hour of every day
Rehearsing movie scenes
Then she found motherhood
And said goodbye to Hollywood*

CHORUS

*Her starlight still shines across the Beverly Hills
Her fame was no roman holiday
My fair lady of style with an innocent smile
A queen of the golden age
In Hollywood she was made*

OUTRO

*Maid In Hollywood
Made In Hollywood
Maid In Hollywood
Made In Hollywood*

3. MY CHILDREN'S CHILDREN'S CHILDREN

VERSE1

*A hundred years since my light shone
My dreams they're all foregone
But I thought about you all the time
And wondered how you all got on?
Has the world changed for the better?
Have we travelled out to the stars?
Has global warming gone for good?
And did you plant a flag on Mars?*

CHORUS

*Oh my children's children's children
I'm writing this to let you know
That I was thinking about you
All those years ago*

VERSE2

*Are you single? Are you married?
Are you happy or are you sad?
I wish that I could meet you all
'Cause I'm your Gt. Grandad
Come find me in your ancestry
A resemblance there may be
I'd shake your hand and say hello
But time wouldn't wait for me*

CHORUS 2

*Oh my children's children's children
A wish I send to thee
One of health and happiness
Take care and think of me*

INSTRUMENTAL SOLO

CHORUS 1

*Oh my children's children's children
I'm writing this to let you know
That I was thinking about you
All those years... ago*

4. BEAUTIFUL DAY

VERSE 1

*Is it today?
Or is it tomorrow?
Or is it going crazy
I think I'm going crazy
It's a Groundhog Day
Seeing the same old familiar places
Over and over again
I've got to get away*

BRIDGE

*The winter cold on my face
Grey skies above me
Somewhere there's a different place
Let's make up our minds to have a good time
Make up our mind to have a good time*

CHORUS

*Somewhere far away there's a beautiful day
Waiting to take you and me away
Beautiful day such a beautiful day
Let's pack our bags
And we'll fly away*

VERSE 2

*Now we're dreaming
We're soaking up the sun
Nothing to do
And all day to do it
Lying in the shade with a hat on my face
I promise to write home
But I don't want to leave this place*

INSTRUMENTAL SOLO

MIDDLE

*Beautiful Day, Beautiful Day
Beautiful Day, Beautiful Day
It's Beautiful*

CHORUS

*Somewhere far away there's a beautiful day
Waiting to take you and me away
Beautiful day such a beautiful day
Let's pack our bags
And we'll fly away*

No cottage by the sea
I've not much saved for a rainy day
But that's not bothering me*

VERSE2

Will bring them love and fun
But what would I care for a jackpot win
When I know that I've already won*

With you in my life
Well I'm a rich man too
So please just keep on loving me do
